“ *Willing Wonderful Woman Wanda Fraser.  
Wanda was willing:  
Willing to serve her country as a WAC,  
Willing to have 3-children back to back.  
As Flip took Wanda as his wife:  
With Steve, Terry and Christy, Life was a lot of strife.  
When opportunity came to raise Beth,  
Wanda said YES, without a second breath.  
Jobs like Postmistress of Grubville,  
Keep her memory still.  
State of Missouri was Wanda's home,  
If body cooperated, she liked to roam.  
Willing Wonderful Wanda Fraser will be missed,  
Yet her memory will always exist.*
