Dear Mom, I could not have ask for a better mother with all of the things you taught me in life. Some of my best memories are of all of us spending time together on the Black River.

You taught me how to cook, sew, work hard and when I set out to do something give it my best.

You were the best grandma and great grandma the kids could ever ask for they will all miss you very much.

Your homemade rolls will be missed and I will try to pickup where you left off.

We will meet again in Heaven

Your loving Daughter Connie

She will be missed by everyone that knew her! I was very sad to hear about this. When I was growing up she was like like a second mom to me and always made you feel welcome in her home. I think Wanda was a good example of what we all should be!
