“ *My deepest sympathy to Bud and the rest of the family. Miss Jean was a special lady and she will remain in the hearts of many forever. I have so many fond memories of her that I will not forget, not to mention the cards and sweet notes she has given to me over the years. I spent many of mornings with her, having coffee and just talking about any and everything.....she will be missed.*

“ My deepest sympathies to my dear friend Bill and family. She was a sweet and funny lady who also had a little sass and we loved that about her. She welcomed any of your friends. She so loved her boys but loved those grandkids even more. She was loved by all that knew her and although you can be relieved she is no longer in pain, I know your hearts ache anyway. Cherish all those awesome memories made and pass along all of her stories, recipes and gardening tips or maybe go play some Bingo in her honor. She and my Grandma played some of that together. Love y'all so much and wish I could be there to pay my respects to one amazing lady. She left quite a legacy.
