“ Ed, you will be in the hearts of many as you have touched so many lives! Your life here on earth is complete as you continue your next journey watching over your family from above!

Glenda and family my heart goes to you, talk often of your memories, for a breeze that shouldn't be, a touch, a scent telling you Ed is there for you!

Ed, I will take comfort knowing you and Doc are partners in crime again LOL. Glenda and I can only imagine what you two are up too now! Till we all meet again ....
