“ *I've known of Bill for over 30 years from living in the area and once in a while saying hi at one of the banks he worked at . But my longest conversation with him I remember was about a year to year and a half ago at a large birthday party for a local church Pastor Rev. Joe Prance who has since past away and I stepped outside the rented hall and Bill was out there and he started talking to me about Rev. Joe Prance and God and how Joe lived his life for God and he was one of the most sincere Christians he ever met because he really lived it and he was considering things with God and things he learned about God as a young boy I think he mentioned learning from his Mother. I pray this brings some peace to Friends and Family I believe God was preparing Bill and Bill was seeking God and God Promises us if we seek him we will Find Him! God Bless you all and give you peace ! Doug*

“ Mike, Jennifer & Sandy, Our sincerest thoughts and prayers are with you and your families during this difficult time. We were shocked and saddened to hear of Bill's passing. The Don Robinson State Park facility manager, Eric, told me about Bill's passing this morning when I visited the park, and I mentioned that I had met Don through working with your dad. That is when Eric told me. I worked with your dad at Mercantile and Rockwood Bank during the 80's/90's and early 2000's, and all of his coworkers have good and humorous memories of your dad and the stories he would tell. May God comfort you during this time and the days to come and give you peace in knowing that he's with his friends Dennis, Don, and his family members.

With Our Deepest Sympathies,
