“ *I was so sad to find out about Uncle Bill's passing and he will be missed by family and friends. Bill was great to me when I was a young guy and he taught me how to hunt and fish and also how to "work" as he took me on jobs with him and I was his "clean up" guy. Bill was always patient and kind and couldn't say "no" to anyone. The family has my condolences and Uncle Bill will be in my prayers. A. Patrick Sheahan*

“ *Am so sorry to read of Bill's passing today. He was a close friend of my husband, Rudy, and we shared many fun & memorial times with Bill and Doris in years past. We will always remember him fondly. Our prayers and sympathies to Doris and family. Millie Beuc*

“ *The smile on this picture is exactly how I think of Bill. He was always kind and a comfortable person to talk too. Even my earliest memory (preschool days running back and forth between Selma and Sylvester), Bill and Doris have always had a welcoming and warm presence.*

Deepest sympathy to Doris, Jeff, Beth, Maury and Family

“ *Thanks Dad for all the inordinate thif you have taught me. I will treasure all of our turkey hunting. My love you have taught me for people and the outdoors. I know you know how much I love you and that makes it easier, no regrets! I will miss my happy hour buddy. So happy I had the last two years to spend with you as my neighbor. Love you always, you are in my heart 🥰*
