“ *My dear Linda, I send my deep condolences to you for the loss of your mother. She was such a sweet lady and you were a wonderful daughter for her. I would be with you at the service if it were possible but a doctor appointment is a conflict. However you are in my prayers and I will always remember you and all your kindnesses to all of us patients. You will surely be in peace knowing that your mother is with the Lord. May the Lord bless you and keep you in his care as you continue with your beautiful memories of the years with your Mother. God bless you. Louise Schatz*
