

## Wyman Palmer

March 29, 1946 - May 11, 2025

Palmer, Wyman of House Springs, Missouri, was born March 29, 1946 in Caledonia, Missouri to Homer Clifford Palmer and Jerene Elizabeth (nee Miller) and entered into rest Sunday, May 11, 2025 in Cedar Hill, Missouri at the age of 79 years.

He is survived by his children, David (Sassi Cordes) Palmer, and Brenda Snider; grandchildren, Luci Cordes-Palmer and Miles Cordes-Palmer; siblings, Alma (Ralph) Ruble, Patricia (Vito) Rallo, and Edward Palmer along with numerous other extended family and friends.

Wyman Palmer was a proud U.S. Air Force veteran whose discipline and dedication shaped a life marked by passion and purpose. Long before it became popular, Wyman had an eye for potential and a talent for transformation—flipping houses and renovating homes with skill, vision, and heart. Beyond his craftsmanship, he found joy in collecting: coins were his greatest passion, each piece telling a story of history and value; he also cherished his collection of baseball cards, a nod to his appreciation for America's pastime. Wyman will be remembered not only for his service and entrepreneurial spirit but for the quiet pride he took in the things he loved.

In lieu of flowers, a memorial contribution can be made to the Wounded Warrior Project (<https://support.woundedwarriorproject.org/default.aspx?tsid=1>)

“Wyman was the best man I've ever met in my life. He had the biggest heart and would do anything for anybody. I took care of this man for 5 years and lived with him, and enjoyed every minute with him, we would watch football every Sunday, I bought tomato plants so he could have a hobby to do after he retired. I loved wyman with all my heart he was better to me than my own family, I will never meet another man so special with a heart of gold like his. Wyman I love you I wish I could of seen you one more time and say sorry for bringing destiny around. Once again thank you for the wisdom you shared with me, the support. The love. Thank you for always being family to me. I will forever miss our times together, I wish I could give you another hair cut and freshen you up, like you used to like !! Wyman I will never forget you, your one of the biggest reason I got sober and kicked drugs I couldn't of done it without you wyman, you were an angel on earth. I'm genuinely heart broken...”
